

Tennessee Aquarium Sleep in the Deep Policies and Guidelines

Group Leader and/or Parent or Guardian Important Information

- **Where to meet?** Please arrive at least 15 minutes prior to your program start time. An Aquarium Educator will meet you at Member Services located on the back right side of the River Journey building. Please do not enter the Aquarium until 15 minutes prior to your program start time.
- **Running behind?** Please contact the Education team at (423) 668-7687 to notify us of your expected arrival time.
- **Share Information.** If you are the main contact that booked this program, please make sure to provide program information and guidelines to everyone in your group.
- **Sign and return waivers.** Make sure that everyone in your group has signed and returned waivers. Completed and signed waivers will need to be sent to Education for every participant prior to program start time. Participants without a waiver will not be allowed to participate in the overnight program (waivers below).

AQUARIUM EXPECTATIONS: In order to ensure staff, guests, and animal safety, all participants are asked to abide by the following rules and regulations:

- Participants may not enter the Aquarium grounds until overnight staff arrive at the River Journey entrance to escort them. It is still necessary to wait for overnight staff, even if the Aquarium is open.
- Parents and chaperones are responsible for the supervision and the behavior of all members of their group. Please make sure no attendees are disturbing others or scheduled activities. Consult your group leader if you need assistance.
- Be courteous to others, this includes animals and plants. Remember to treat others as you would like to be treated. Keep your hands, feet, and other objects to yourself.
- All participants must respect the rules explained to them by their guides at the beginning of the program.
- We ask that all parents and chaperones assist and support Aquarium Educators by actively participating in activities, enforcing rules, encouraging participants to participate, and maintaining headcount.
- No weapons or firearms are permitted.
- No handheld electronic games are permitted.
- No alcoholic beverages are allowed.
- The Tennessee Aquarium is a smoke-free facility.
- Participants must stay with their assigned chaperones and overnight staff at all times.
- If verbal warnings do not stop inappropriate behavior, participant(s) may be escorted off Aquarium grounds by Aquarium Security at the discretion of the overnight staff. Parent(s) or guardians(s) will be responsible for picking up their child promptly upon dismissal.
- Always talk to overnight staff if you have a question or a problem during the program. We are here to help!
- All overnights have the potential of being mix-gender groups. When possible, an alternate sleeping location can be provided by request.

COVID Protocols

- Aquarium education programs are following CDC recommendations. This means that indoor mask requirements will be determined by current covid community transmission levels. When COVID transmission levels are green or yellow, masks will not be required for education programs. At orange levels, masks may be required indoors for all education programs regardless of vaccination status. You can check community transmission levels at this website: [COVID-19 by County](#)
- We ask all participants to stay home if they are experiencing COVID-19 symptoms or if they have been in contact with a COVID-positive individual in the past 2 weeks.

Failure to follow these expectations will result in an unsafe or unenjoyable atmosphere for you and others during your overnight program. The Tennessee Aquarium has the right to remove a participant from an education program at any time.

Note: There are no refunds when a participant's own behavior requires removal from an education program.

I have read and understand the Tennessee Aquarium program policies and guidelines. If I am a parent/guardian of a minor attending an overnight, I have received these rules with my child:
